Condition or Requirement

If an individual receives a title II benefit, any amounts attributable to the most recent increase in the monthly insurance benefit as a result of a title II COLA is not counted as income during a "transition period" beginning with January, when the title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual Federal poverty level.

For individuals with title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

For individuals not receiving title II income, the revised poverty levels are effective no later than the date of publication.

1905(s) of the Act

g. (1) Qualified disabled and working individuals.

In determining countable income for qualified disabled and working individuals covered under 1902(a)(10)(E)(ii) of the Act, the methods of the SSI program are used.

1905(p) of the Act

(2) Specified low-income Medicare beneficiaries.

In determining countable income for specified low-income Medicare beneficiaries covered under 1902(a)(10)(E)(iii) of the Act, the same method as in f. is used.

(i) Working Disabled Who Buy Into Medicaid

In determining countable income and resources for Working Disabled individuals who buy into Medicaid, the following methodologies are applied:

☐ The methodologies of the SSI program.

☐ The agency uses methodologies for the treatment of income and resources more restrictive than the SSI Program. Those more restrictive methodologies are described in Supplement 4 to Attachment 2.2-A.

☒ The agency uses more liberal income and/or resources methodologies than the SSI Program. More liberal income methodologies are described in Supplement 8a to Attachment 2.6-A. More liberal resource methodologies are described in Supplement 8b to Attachment 2.6-A.

☒ The agency requires individuals to pay premiums or other cost sharing charges. The premium or other cost sharing charges, and how they are applied are described in Attachment 2.6-A, page 12d.
